Dear Dr. Kwiatkowska,

I am pleased to inform you that your laboratory has successfully completed the WADA 2020 re-accreditation process and has received the status of full accreditation for the year 2021.

Please find enclosed the WADA re-accreditation certificate signed by Mr. Witold Banka, President of the World Anti-Doping Agency, in recognition of your re-accreditation.

WADA is confident that your laboratory will make a valuable contribution to the fight against doping in sport.

Yours sincerely,
